WHY PARTNER WITH USSFCU?

By partnering with USSFCU, your students get hands-on financial lessons that make money skills simple, relatable, and fun. We help you create a classroom experience where financial confidence begins early.

Financial Foundations

Lemonade Tycoon:

Students run a virtual stand to explore profit, costs, and decision-making.

Financial Aim of Life:

Connects personal goals and values to everyday financial choices.

Budgeting Basics & 50/30/20 Rule:

Introduces income, expenses, and smart spending with a simple budgeting framework.

Smart Borrowing & Big Decisions

Credit 101:

Explains what credit is, how scores work, and the importance of responsible borrowing.

College Finances:

Breaks down scholarships, financial aid, and loan options.

First Home:

Illustrates how credit, budgeting, and savings work together for major purchases.

Digital Dollars & Everyday Safety

Cyber Cents:

Promotes safe online shopping and digital payment habits.

Cyber Safety:

Helps students recognize scams and protect personal information.

Bonus Lessons

Paycheck 101:

Learn how to read a paycheck, understand deductions, and manage earnings wisely.

Investing 101:

Discover how small, consistent investing builds long-term wealth.

****Custom Presentations Available — tailored to your class's age group, time frame, or learning goals.****
